## Clear Span Tent

Hometown Elegance Catering & Event Planning is proud to be offering our region's only clear span tent.

By offering this style tent, our clients now have a wide open space to celebrate in. No interior poles, nor unsightly ropes or straps not the outside. Just temporary building to celebrate in.

Don't have a grass surface to setup on, no problem. We can setup on any surface. So whether it's a concrete or asphalt surface, we can set it up. No more stakes being driven into parking lots and requiring repairs.

With 10' tall sides and 16' wide bays, there's almost no limit to what can be brought in to the space. With a wind rating of 50 MPH sustained, our North Dakota winds aren't an issue anymore for your outdoor event.

If you're interested in taking your event to the next level, contact us about scheduling on onsite visit.
